Range Restrictions For Construction

October 9 - 16, 2007

Tuesday, October 9, 2007, The Arizona Game and Fish Department will begin the construction of the side safety berm on the High Power Silhouette Range. The construction will be completed on October 16, 2007. **During the construction period, the HPSR, 100 Yard public and the Black Powder Range will be closed.**

All other ranges at TRC will remain open.
